

Governor Calls On State For Dairy Month

Dairy Month

Richmond, June 5.—Governor James H. Price has declared by proclamation that June shall be Virginia Dairy Month. The Virginia dairy industry, leading agricultural pursuit in the state, has launched a concerted effort to bring about a greater realization of this \$33,000,000 business in Virginia.

ment in Virginia dairies and distributing plants of thousands of school children and special groups who will be shown at first hand how
